

PDP6W

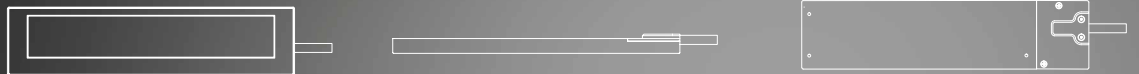

DESCRIPTION

Passenger Display Panel 6" Wide

The PDP6W is a very slim six inch ultra-wide aspect ratio touch screen display unit for connection to AlsterAero's VDEU4K.

Together with the powerful VDEU4K as the processing unit, the PDP6W is intended to be used as an area control panel or a passenger information screen, e.g. for display of remaining flight time and similar information.

Due to its thin housing it may be used with limited available space e.g. for installation within deco panels.

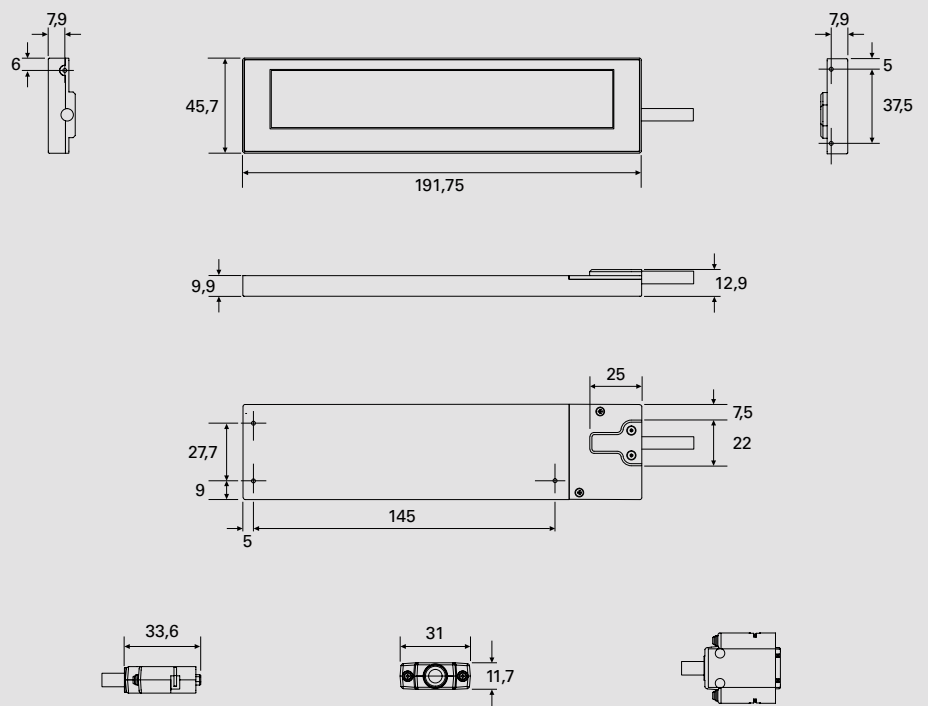

FEATURES

- compact size
- touch screen
- ultra-Wide aspect ratio
- high display resolution
- very slim housing
- integrated cable harness
- power supply from VDEU4K

OUTLINE DRAWING

dimensions are millimeter (mm)

QUALIFICATION
